

October 2018

TO WHOM IT MAY CONCERN – Transport of Sofnolime.

We hereby certify that Soda Lime (Sofnolime) manufactured by Molecular Products Ltd contains less than 4% (four percent) sodium hydroxide (NaOH) and is classified as non-hazardous under transport legislation Special Provision 62 (IMDG Code/RID/ADR/ADN and IATA special provision A16): it is not restricted for transport.

The label showing the “*corrosive*” symbol is a label for use of the product – and does not infer any transport restrictions in the case of soda lime.

For and on behalf of Molecular Products Ltd.

Dr. Alex Kee
